

# Vermillion River Watershed Joint Powers Organization and City of Lakeville Irrigation System Improvement Financial Assistance Program

**Instructions:** To qualify, applicants must have had an irrigation audit completed by an EPA WaterSense certified irrigation professional as part of the City of Lakeville (City) and Vermillion River Watershed JPO Urban Water Conservation Program (VRWJPO). All system improvements must be installed by an EPA WaterSense certified irrigation professional.

**Improvements implemented prior to City and VRWJPO approval do not qualify for reimbursement.** Associations are required to provide match to all implemented improvements. The following amounts are reimbursable:

- 75% of total product cost, up to \$1,500, for EPA WaterSense Certified Products
- 25% of total product cost, up to \$500, for Non-EPA WaterSense Certified Products

The maximum cost-share that can be requested is \$2,000. All system improvements must be installed no later than September 30 of the application year.

## Homeowner Association Information

Association Name: \_\_\_\_\_

Association Authorized Representative: \_\_\_\_\_

Affiliation (i.e. Board President, Board Member, etc.): \_\_\_\_\_

Phone Number: \_\_\_\_\_
